PCT to present Neil Simon's "California Suite" Congratulations 2007-08 Officers

PCT's own Dita Panter is Steppin' Out Spotlight on The Gold Country Grapevine

Placer Community Theater is proud to announce the upcoming production of Neil Simon's "California Suite."

PCT recently held auditions and director Leslie Duran cast a menagerie of characters for the performance. "California Suite" gives us a glimpse into the misadventure of various groups of guests in the same suite, at the same hotel, at different times of the year. From a bride locking herself in the bathroom on her wedding day while her parents try desperately to coax her out, to a husband waking up in his hotel room to find a passed out prostitute in his bed and his wife on her way up to meet him, Neil Simon's "California Suite" delivers madcap comedy at its finest.

Show dates: February 23 & 24 and March 2 & 3, 2007

Election of Officers

PCT recently voted in officers for the 2007-08 term of office. Congratulation to President Sally Gardner, Vice President Erick Lindley, Secretary Diane Ott and Public Relations Representative Brenda Lindley, all of whom were re-elected and agreed to serve two more years. The membership also elected two Associate Board Members to serve. Their duties include providing leadership and guidance for the organization overall and on committees including the Sponsorship, Scholarship and Grant committees. Alana Kilborn was re-elected and long time member and volunteer, Bill Hefti was voted in.

Special thanks to the Election Committee, Bob Gardner and Ashley Lindley who worked hard to ensure that the elections went smoothly and were, most importantly, fair. Great job Bob and Ashley!

Directed by: Leslie Duran

Placer Community Theater Member Steppin' Out

PCT's own Dita Panter recently auditioned for the Magic Circle production of *Fiddler on the Roof*. Dita auditioned for the role of Golde. The auditions were held on November 6 and 7, with call backs on November 8. Dita was very excited about it. "I watched my mother play this part at the Music Circus many, many times. I feel like I know Golde; like she's part of our family. It would be like following a tradition and lots of fun, too." Dita has an amazing voice and is an asset to our local theater group. She has played the role of Polly Benish in "Sing On!" and displayed her vocal talent in the recent production of "A Musical Voyage Through Time." We wished her the best of luck on venture, but alas, she did not receive a call back on this one. She felt it was a worthwhile experience, however and will be back on stage again soon. We are sure of that. Whether it is here with us PCT, or on a stage elsewhere. Keep your eyes peeled for her.

Show dated for *Fiddler on the Roof* at the Magic Circle Theatre are Friday, Saturday and Sunday from January 12, 2007 thru the 24th.

Member Review

From Annie Get Your Gun to Film Making, Sandy Stoltz, whom some of you may remember from "Annie get Your Gun", has added independent film maker to his growing resume with his release of the movie, "Vigilante Cops". Featuring an Auburn cast, local locations and lots of belly laughs, this movie made its debut at 11:00 pm in October on Friday the 13th at the Old State Theatre in Downtown Auburn. The film was produced for less than \$500, with approximately \$400 of that used to purchase the camera.

PCT members Diane Ott, Jeri Bliss and Sally Gardner were among those at the first showing. They were all impressed with Sandy's film and are hoping, some day, when he is nominated for an academy award; they so they will get to say, "We knew him when....."

Spotlight on Gold Country Grapevine. Denise L. Steele-Dale is the owner and publisher of *The Gold Country Grapevine*. Denise's family has lived in Auburn for over 30 years. With the passing of her parents, Bob and Peggy Dale, Denise relocated to Auburn permanently in January 2005. Coming from a long background in marketing and advertising, she noticed a need for a publication with a more personal, casual, informative and easy to navigate format which readers of all ages could enjoy and one that merchants and advertisers would benefit from without spending all of their advertising budget in one place.
